Mr. John R. Scott Esq
Woburn Mass.
Gentlemen.

We were obliged to make the white goods at 25¢ in this one lot of 5 cases as our competitor came down to that price and I thought it better to ~~lose~~ them than to have the goods returned.

I wish you would get out sample pieces of the 12 & 16 oz. Steels as soon as possible I must have my samples out early.

Yours Truly
J. A. Wattle
